

Riding Day Camp

Riverview Stables has been a family owned business for over 40 years. Our day camp has been set up to give young people between the ages of 6 & 16, the opportunity to learn the art of horsemanship. We offer camps for first time riders, right up to the more advanced competitor. Our staff is very knowledgeable and our horses well schooled. Students are divided into 4 groups according to age & riding experience. In addition to our amazing instructors, we have wonderful assistants to help our students with special needs, beginner riders, & younger students.
